

SCOOP4C Newsletter

Dear stakeholder community,

We are pleased to be able to inform you about the recent developments concerning the once-only principle. Our sister project TOOP kicked off and we are excited about collaborating with TOOP on exploring the implementation of the once-only principle. TOOP will pilot three solutions of once-only in the business sector in order to reduce the administrative burden for public administrations and EU businesses.

See you soon,

The SCOOP4C project team
