

SCOOP4C Newsletter

Dear stakeholder community,

We are pleased to be able to inform you about the recent developments concerning the once-only principle. We held our first stakeholder workshop in Brussels, Belgium on March 14 2017. Thank you to everybody who joined us in discussing the once-only principle and how to collect more best practice cases for our knowledge base. During our workshop, we also kicked-off our official community forum on scoop4c.eu - register to become part of our forum and to discuss the once-only principle for citizens.

See you soon,

The SCOOP4C project team

Successful first SCOOP4C workshop held in Brussels, Belgium

Thank you for joining our first workshop titled "Ensuring comprehensive coverage in the collection of once-only cases". Visit our website to find out more.

Poland applies once-only principle in its social services

The Polish government is boosting the modernization of administrative services by implementing the once-only principle (OOP) to its social services. This was announced by Anna Streżyńska, Minister of Digitisation on 16 January.
