

SCOOP4C Newsletter

Dear members of the Stakeholder Community,

The summer holidays are almost over and we hope you enjoyed them. During the summer, we worked together on all aspects of the SCOOP4C project. With your help, we have identified more than 60 cases and enablers of the once-only principle and defined a vision of the once-only principle for citizens. We are very excited to receive your feedback on the deliverables - online in our community forum or in one of our events coming up in the second half of 2017. To keep track of upcoming events and workshops, please also follow our Event Calendar and subscribe to our news feed.

Hope to see you soon!
