

SCOOP4C Newsletter No. 16

Dear stakeholder community,

we hope you are enjoying the summer. We and our sister project TOOP are intensively organising the 'Once-Only Principle for Europe' Conference on September 24th+25th 2018 in Vienna, Austria. It will be the final conference of our project and we will present our final project results there. The conference is free of charge, but a registration in advance is necessary. Please join us for this opportunity to discuss the once-only principle and its implementation in the European Union. We look forward to seeing many of you there!

For more news surrounding the once-only principle, the Single Digital Market and other digital EU news, check out our newsletter below.

If you have any further questions concerning the once-only principle or the SCOOP4C project, please do not hesitate to reach out to us.

Best wishes,

The SCOOP4C project team
