Eixo Atlantico
crossborder association of
municipalities from Galicia (Spain)
and North Portugal

Agenda of OOP workshop: "Border Region Galicia (Spain) and North Portugal: Roadmapping cross-border Once- only Principle Public Services"

Braga, 11th March 2019

Objectives

The workshop aims at:

- Informing about the OOP and its potential to reduce administrative burden and simplify public service provisioning in border regions, including the current OOP projects of the EC (SCOOP4C and TOOP) and current activities in the Galicia and North Portugal Border Region towards administrative burden reduction
- Demonstrating the current status of enablers and cases in Spain and Portugal for OOP implementations
- Interacting with relevant stakeholders in breakout sessions to investigate major enablers and concerns about future cross-border OOP public services in the border region and to identify and specify areas of actions towards full implementation of the once-only principle in cross-border public services for citizens and businesses in the Galicia-North Portugal Border Region
- Reviewing the SCOOP4C vision, roadmap actions and policy recommendations for cross-border OOP public services for citizens

Target audience (relevant stakeholders)

Representatives from responsible public (and private) agencies in the region for implementing the OOP cross-border, civil society organisations, privacy advocates, and academia on the implementation of the OOP

Expected number: Up to 50 participants

Location

Address: Altice Forum Braga, Location on Google Maps: <https://goo.gl/maps/zJh4LBt63sw>

Registration

Please register either via website (<https://scoop4c.eu/contact>) or via email (scoop4c@uni-koblenz.de).
